

ACCOMMODATION INFO FOR WAPE 2024

Panteion University is bordered by the areas of “Koukaki” and “Neos Kosmos” which offer many accommodation options as they are nearby Acropolis area. Another option is the less touristy municipality of “Kallithea” which also borders Panteion University. The organizing committee has agreed on special rates for conference participants in hotels with easy access to Panteion University. The agreement is for dates 01/8/2024 (check-in) to 04/08/2024 (check-out) but we expect some flexibility on booking dates (in this case contact with the hotel). As the ability to book a room is determined by availability, during a period of high demand, we strongly recommend to reserve any room as soon as possible. The options for conference participants are the following:
